A generally s A Safeguard. rapidity with which slight

Coids and coughs frequently develop-into the gravest maladies of the threat and lungs, is a consideration which should impel every prudent person to keep at hand, as a hensehold remedy, a bottle of AYER'S CHERRY PECTORAL. A YER'S CHERRY PROTORAL.

Nothing else gives such immediate relief and works so sure a cure in all affections of this class. That eminent physician, Prof. F. Sweetzer, of the Maine Medical School, Brunswick, Me., says:— The same opinion is expressed by the well-known Dr. L. J. Addison, of Chicago, III., who says:—
"I have never found, in thirty-five years of AYER'S

**Cherry Pectoral** Is not a new claiment for popular confi-dence, but a medicine which is to-day saving the lives of the third generation to have come into being since it was st offered to the public. There is not a bousehold in which this invaluable remedy has once been in-troduced where its use has ever been troduced where is use has ever been abandoned, and there is not a person who has ever given it a proper trial for any throat or lung disease suscep-tible of cure, who has not been made AYER'S CHERRY PECTORAL ons, in numberless instances, cured obstinat cases of chronic Bronchitis, Larnygitis and even acute Pneumonia, and is saved many patients in the earlier stage of Pulmonary Consumption. It is a medicine that only requires to be taken in small doses, is pleasant to the taste, and is needed in every house where there are AYER'S CHERRY PECTORAL for tree at of Croup and Whooping Cough. These are all plain facts, which can be erified by anybody, and should be re-Ayer's Cherry Pectoral

September...

October...

November... The week's developments in the cotton There is an active demand for money, which remains unchanged as to price, market appear phenomenal to some, while others see in it the results following two successive short-crop years. Advances at Liverpool and New York have met with The cotton market is still buoyant under prompt responses in the local market— sometimes the demand from both spin-ners and exporters not in the least checked the influence of continued advances in New York and Liverpool. The bulk of demand yesterday was for spinners, and sales were effected at above quotations. The stock of by higher than quotations exacted by sellers. The week has developed several items of interest to the cotton trade. The average weights of bales trade. The average weights of bales trade. The average weights of bales to the cotton on hand yesterday, 127,142 bales, is Shipped to-day.

Shipped to-day.

Shipped to-day.

Burnt, etc.

47

Howe consumption to date.

164 trems of interest to the cotion trade. The average weights of bales thus far this season were posted on the Exchange boards Friday—496.28 pounds per bale, against 494 pounds the same time last year; 5:1.50 pounds in 1882; 475 pounds in 1881, and 504 pounds in 1882; 475 pounds in 1881, and 504 pounds in 1882; 475 pounds in 1881, and 504 pounds in 1880. Taking the receipts thus far this year—251,886 bales, the heaviest on record—it will be seen that the crop amounts to 124,963,163.46 pounds, against 116,782,482 pounds the same time last year, and against 119,363,040 pounds the same time in 1882, an excess of 5,599, 523.46 pounds, or 11,199 bales of 500 pounds each over the receipts to date of the biggest crop year on record—the actual amount being an excess of 18,525 bales. The New York Financial Chronicle, of Saturday, accounts for the active market in this way: "The speculation in cotton for future delivery at this market the past week has been more active, attended at times with considerable excitement, and prices have rapidly advanced, especially for the early

considerable excitement, and prices have rapidly advanced, especially for the early mouths. January options were the special object of attention, a heavy short process of a special object of attention, a heavy short of the process of the special object of attention, a heavy short interest having gradually accumulated, and, through manipulation, an active demand to cover contracts having been stimulated; in fact, on Wednesday the possibility of a corner on that month begin to be noted and discussed, and the early dealings on Thursday were quite excited. A reduced movement of the excited. A reduced movement bave crop and improving foreign advices bave also been elements of strength. \* \* \* Cotton on the spot has continued quiet,

but the course of prices has sympatnized with the upward turn of early futures." In its review of the season to December 1st, the Chronicle states that "port receipts have been very free during Nowamber, and, as clearly indicated by our weekly reports, have continued to the make gains over previous years, especially 1383. At the close of October the excess was 45,926 bales, as compared with last year and 128,590 with 1882, but now it tobacco and 1800 bu wheat. ceaches 137,710 bales over the former sea son and 156 057 over the latter. The Gulf ports have failed as yet to reach the fig-ness of last season, the Atlantic ports fur-ushing all the increase, Charleston con-

il bales, against an excess of 62,915 on bris sugar, 184 pkgs tobacco and 16 bu bales: ovember 1st. The November figures are wheat. 33,928 bales, against 646,782 bales and 04,355 bales in the two preceding seasons. nce the close of the month exports have ontinued large, and for the week ending becember 5th bid fair to reach 240,000 Summarising the weet's business the local mar et opened steady, middling quoted at 10c, the price ruling at the close

This medicine, combining Iron with pure regetable tonics, quickly and completely Cures Dyapepsia, Radigestion, Weakness, Impure Blood, Mal. Aria, Chilis and Fevers, and Neuralgia.

It is an unfailing remedy for Diseases of the Ridaces and Liver.

It is invaluable for Diseases peculiar to Women, and all who lead sedentary lives. It does not injure the teeth, cause headache, or produce constipation—other from medicines do.

It curiches and purifies the blood, stimulates the appetite, aids the assimilation of food, relieves Heartburn and Belching, and strengthens the muscles and nerves.

For Intermittent Fovers, Lassitude, Lack of Energy, dc., it has no equal.

27 The genuine has above trade mark and crossed red lines on wrapper. Take no other.
